Good Cheer for All.

Oh all in homes that are happy, Row Christmas comes laden with cheer, Where children are dreaming already Of the merriest day in the year.

As you gather your own ones around you And tell them "the story of old," Remember the homes now dreary Remember the hearts that are cold!

and, thanking the Love that has dowered you, With all that is dearest and best, Give freely, that from your abundance Some bare little life may be blest!

Oh, go where the stockings hang empty, Where Christmas is naught but a name, and give-for the love of the Christ-child!
